

2018 ICB FEES DISTANCE LEARNING

Only distance learning students pay ICB fees directly to us. (Campus students are entered by their colleges)

Please note:

In order to receive your PoE or be entered for exams, you must have sent your Exam Entry Form with proof of fee payment to the ICB. Remember you can also register with the ICB and enter exams online on our Student Portal. At the time you enter for the first exam of a (calendar) year, the annual student registration fee is payable.

If you cancel a scheduled exam, fees can't be refunded. Exams can be postponed only once to the next scheduled exam date, if we have received your postponement fee and forms on time. Incorrectly completed forms or insufficient fees will result in exam entries not being processed, or processing being delayed.

All fees are not refundable. Fees are quoted in South African Rands and may change without prior notice. Fees listed include 14% VAT for SA and bank charges for payments from other countries.
